Greetings!

In this issue, Sherone Lewis, Behavioral Health Coordinator for Unique & Diverse Populations, provides information and a call to action on an initiative MSBH is working on in collaboration with the regional Local Addiction Authorities.

We are rolling up our sleeves to get started on the work that must happen to address racial disparities on the mid shore. In other news, find out who's hiring (hint... we are!) and more.

Finally, if you haven't taken our survey yet on The Steering Wheel – this is your last chance! Please [take 5 minutes to provide the feedback](#) we need to be of better service.

Wishing you wellness,

[The MSBH team](#)

The **Mid Shore Planning Collaborative**, which is comprised of the mid-shore local addiction authorities (Caroline, Talbot, Dorchester, Queen Anne's and Kent Counties) and Mid Shore Behavioral Health Inc., has created the FY21 Community Behavioral Health Plan (CBHP). One of the goals of the CBHP is to create a *Cultural and Linguistic Workgroup*, as we "recognize the role of systemic social injustice and racial inequity". Please take a few minutes to answer a quick survey, as we garner interest and construct this workgroup. Our vision is that the workgroup will be diverse, multidisciplinary and representative of our mid-shore region. Please respond by July 10th
