Mid-Shore Roundtable on Homelessness – Regional Continuum of Care

This continuum is submitting four renewal projects, one new housing bonus project and a planning project for Certification of Consistency with the Consolidated Plan of the State of Maryland. All renewal projects have been renewed in past competitions.

The total being submitted for funding this year is **\$942,460.00**.

\$831,973.00 will provide 60 units of affordable housing in permanent supported housing programs.

\$18,167.00 would provide emergency hotel lodging (CoC Bonus).

\$27,861.00 would provide staff training, development, and retention activities (CoC Bonus).

\$60,487.00 will fund our local homeless management information system (HMIS).

\$50,000.00 will fund planning activities for our regional continuum of care.

All projects and budgets are briefly described below.

New Projects

Continuum of Care Planning Project – Mid Shore Behavioral Health

\$50,000.00

This program will fund a Coordinated Entry worker who will help to connect people who are experiencing homelessness to our housing programs or the best suited program. The Coordinated Entry Worker conducts a vulnerability assessment to help us to prioritize our intensive needs programs. We partner with Talbot Interfaith Shelter for this project.

MSBH Rural Chronic Homelessness Project – Mid Shore Behavioral Health

\$95,621.00

If awarded this new program will provide permanent supportive housing to literally homeless individuals who are chronically homeless. The project would fund three one-bedroom units in Dorchester County. Participants will be identified through the Roundtable on Homelessness Coordinated Entry Process targeting those who are currently living in places not meant for habitation and meet HUD's definition of "chronically homeless." The program will have a specific population target of those who have a severe mental illness or co-occurring disorder. Participants will be connected to Targeted Case Management or Assertive Community Treatment for continuity of care. This project will also provide these individuals with short-term emergency hotel placement while they are awaiting a PSH unit, emergency shelter bed, or other housing option to become available. The project also has funds for staff development, staff trainings, and staff retention activities to enhance and sustain the current workforce.
