Caroline County Schools Served through Consortium Grants
2025-2026 School Year

The Maryland Consortium on Coordinated Community Supports was created by the Maryland General Assembly as part of the Blueprint for Maryland’s Future in order to expand access to comprehensive behavioral health services for Maryland students, pre-K through grade 12. Through the Consortium program, over \$97 million was awarded statewide for the 2025-2026 school year. Three Consortium grants serve Caroline County, and they are projected to serve over 1500 students during the 2025-2026 school year. Below is a short description of each of the three programs. A list of schools served is attached.

Caroline County Health Department-Behavioral Health. This grantee offers behavioral health education, individual therapy, substance use services, transportation vouchers, peer services, case management, and family supports.

Choptank Community Health. This grantee offers co-occurring individual therapy, care coordination, substance use prevention, suicide prevention, family groups, and family support delivered through school-based health centers (SBHCs).

The Cook Center for Human Connection. This grantee offers parent, caregiver and staff support through the Mental Health Series Platform, Parent Cognitive Behavioral Coaching, & Staff Cognitive Behavioral Coaching (Staff Guidance).
