**Dorchester County Schools Served through Consortium Grants**  
**2025-2026 School Year**

The Maryland Consortium on Coordinated Community Supports was created by the Maryland General Assembly as part of the Blueprint for Maryland’s Future to expand access to comprehensive behavioral health services for Maryland students, pre-K through grade 12. Through the Consortium program, over \$97 million was awarded statewide for the 2025-2026 school year. Five Consortium grants serve Dorchester County, and they are projected to serve over 1600 students during the 2025-2026 school year. A list of schools served is attached.

**The Cook Center for Human Connection.** This program offers parent coaching, school staff training, and promotes positive classroom environments.

**Dorchester County Health Department.** This program offers mental health treatment and/or psychoeducational skill building groups, along with support for parents/caregivers.

**Maple Shade Youth and Family Services.** This program offers after-school programs that will teach cognitive behavioral techniques, including education about reactions to trauma; relaxation training; cognitive therapy; stress or trauma exposure; and social problem solving.

**Mental Health Association of Maryland.** The program provides community mental health education and outreach, including Teen Mental Health First Aid for high school students and Youth Mental Health First Aid for community members.

**Parent Encouragement Program.** This parenting education program is for parents and primary caregivers of children ages 2 to 18.
