Talbot County Schools Served through Consortium Grants
2025-2026 School Year

The Maryland Consortium on Coordinated Community Supports was created by the Maryland General Assembly as part of the Blueprint for Maryland’s Future to expand access to comprehensive behavioral health services for Maryland students, pre-K through grade 12. Through the Consortium program, over \$97 million was awarded statewide for the 2025-2026 school year. Two Consortium grants serve Talbot County, and they are projected to serve 700 students during the 2025-2026 school year. Below is a short description of each of the two programs. A list of schools served is attached.

The Cook Center for Human Connection. This grantee offers parent, caregiver and staff support through the Mental Health Series Platform, Parent Cognitive Behavioral Coaching, & Staff Cognitive Behavioral Coaching (Staff Guidance).

Peace of Mind Mental Health Services. This grantee offers individual, group, and family counseling; parenting skill-building groups; small groups in the school setting; medication management; behavioral health education for families and caretakers; school staff training; and transportation.
