The meeting also included a teambuilding activity, Lighthouse of Hope – Lighting the Way Together, where the group reflected on how they individually and collectively serve as a "light" in the community.

The Board of Directors voted to approve new members: Katie Schoonover, EHR Manager at Crossroads Community Inc.; Ja'Tyra Smith, Problem Solving Court Agent at the Division of Parole and Probation; Megan Wojtko, Chief Clinical Officer at Choptank Community Health; and Amie Hoffman, Director of Behavioral Health Services for the University of Maryland Shore Regional Health. The meeting concluded with expressions of gratitude to the team and board members for their dedicated service. MSBH Board President Dr. Robert Roca added, "It was inspiring to review all that Mid Shore has done for the community over the past year and to witness the staff's passionate commitment to their mission of service.
